FOR IMMEDIATE RELEASE
COMFORT INN & SUITES GOES 100% SMOKE FREE

Branson, MO – Comfort Inn & Suites Branson Meadows of Myer Hotels is pleased to announce that, as of January 5, 2007, it is a completely smoke free property. A majority of the property was already non-smoking so the transition into making all 102 rooms smoke free was simple.

“We are excited to have made this change and look forward to the positive impact it will have both for our guests and team members,” stated General Manager Steve Graber. “With the entire hotel now smoke free I believe it creates a cleaner environment for our clientele while also encouraging increased health consciousness among staff.”

The Comfort Inn & Suites is one of the first national chain hotels in Branson to go smoke free. As a Platinum Best of the Brand recipient and 2006 finalist for Comfort Inn of the Year, the hotel continues to prove it is at the top of the industry.

“Our five properties were among the first in Branson to offer wireless high-speed Internet access,” noted Gail Myer, VP of Operations for Myer Hotels. “It’s another great step forward to now have the Comfort Inn & Suites smoke free. As a company we strive to remain on the cutting edge. The Comfort Inn & Suites exemplifies that goal.”

In the lodging business for 40 years, the Myer family has actively contributed to Branson’s hospitality market for over 23 years and received numerous national awards. Myer Hotels includes the Best Western Center Pointe Inn, Best Western Music Capital Inn, Comfort Inn at Thousand Hills, Comfort Inn & Suites Branson Meadows and Comfort Inn West. The properties emphasize excellent locations, countless amenities and exceptional customer service while focusing on great value in the upper mid-scale area.
