**MYER HOTELS FIRST BRANSON HOTELS CERTIFIED GREEN
BY MISSOURI HOTEL AND LODGING ASSOCIATION**

Branson, MO – Myer Hotels of Branson is pleased to announce the *Comfort Inn & Suites Branson Meadows*, *Comfort Inn at Thousand Hills* and *Comfort Inn West* are the first three hotels in Branson, Missouri ***Certified Green*** by the Missouri Hotel & Lodging Association (MHLA). In addition, these three locations are included in the state of Missouri's first five hotels ***Certified Green***.

To qualify for this certification, hotels must display environmental information to educate guests and staff, achieve certain project levels within various categories and pass random independent inspections throughout the year. Initiatives can range from water and energy conservation throughout the hotels to the use of recycled materials within administrative offices. The use of "green" product brands in the housekeeping and landscaping departments along with recycling of waste products such as aluminum, newspaper, and glass/plastic/metal containers are additional scoring categories.

"At Myer Hotels, God's environment has always been important to us. To be the first Certified Green hotels in Branson is an honor that we take seriously." stated Gail Myer, Vice President of Operations.

Myer Hotels also recently received the Green Initiative Award from the city of Branson.
