Branson, MO – Myer Hotels is pleased to announce that Bill Cunningham, Maintenance Supervisor for the Comfort Inn at Thousand Hills, has been honored with first Choice Hotels Property Excellence Service Award for Region 13 for maintenance. This annual award recognizes an individual or department that goes above and beyond to surpass guest service expectations. As winner of Region 13, Cunningham was selected by representatives from each Regional Advisory Board, Choice Hotels departments, and the Choice Hotels field representatives over his peers within a 7 state area.

“Cunningham has been at this property for over 10 years. He carries out the majority of all renovations himself and is available for assistance at all hours of any day. If unable to fix an issue himself, Bill is able to talk another staff member through the procedure to resolve the issue.
